

PROVIDENCE DAY
SCHOOL

Certificate of Immunizations

North Carolina law **requires all students submit a current record of immunizations prior to the first day of school attendance.** Failure to do this will result in exclusion from school, as required by law, until the form has been obtained.

Minimum Doses of Required Immunizations:

DTP/DTaP – 5 doses; 3 doses by age 7 months, and 2 booster doses – 1 by age 19 mos, 2nd on or after the 4th birthday and before enrolling in school (K-1) for the first time. 5th dose not required if 4th given on/after 4th birthday.

Tdap – 1 dose if child is 12 years of age or entering 7th grade (whichever comes first)

Polio – 4 doses (if 3rd dose is given after 4th birthday, a 4th is not required)

MMR – Measles: 2 doses (1st between 12 and 16 mos of age, 2nd required if entering K-1 on/after 7/1/94);

Mumps/Rubella: 1 dose of each on/after 12 months of age.

Hib – 4 doses (3 doses prior to 7 mos of age, final dose between 12-16 mos of age. If child is 5 or older, Hib is not required.)

Hepatitis B – 3 doses required for all children born on/after 7/1/94.

Varicella – 2 doses given at least 28 days apart; first dose between 12- 18 months of age and 2nd dose prior to entering Kindergarten; required for all students entering Kindergarten after July 1, 2015.

Meningococcal Conjugate Vaccine – 1 dose for all students entering 7th grade or by 12 years of age whichever comes first.
