2017–2018 BOARD OF TRUSTEES

Providence Day School's Board of Trustees serve as stewards of the school who hold "in trust" its mission and reputation. As such, Trustees accept the obligation to not only preserve but also to advance the institution. Their work begins with the fiduciary expectations of duty (due diligence on financials), care (executing decisions by prudent standards) and obedience (to laws and bylaws). Beyond these duties, Trustees focus on policies and strategies that are future-focused, leaving daily operations to the Head of School, whom they select. The Board utilizes several committees to study and assess in depth the needs, activities and performance of the school and to make recommendations when planning, developing and establishing policy.

2017–2018 BOARD OF ADVISORS

Initiated in 1997, the Providence Day School Board of Advisors serves as a link between the PDS community and administration. The Board of Advisors is comprised of current parents, alumni parents and alumni. Members are active supporters of PDS through their gifts of time, talent and resources. With a focus on strategic issues, the Board of Advisors assists the school in identifying new opportunities for growth and improvement. The Board of Advisors also provides PDS with a clear understanding of the external environment in which the school operates, and helps to identify key stakeholder and potential partners to help PDS achieve its strategic goals.

FROM THE HEAD OF SCHOOL

Dear Chargers,

I'm pleased to share with you the *Report on Philanthropy* for the 2017–2018 school year, which clearly shows the deep support and loyalty of the Providence Day School community.

The culture of philanthropy that lives here is a rich tradition of giving that has sustained and supported us for more than 45 years. I'm proud to say this school was built by the hands of our parents, faculty and staff. That legacy still exists today.

With a strong spirit of giving, our Providence Day community is signaling its belief in the mission and core values that guide us. A passion for learning, social responsibility, and personal integrity are honored and upheld by philanthropy. We take great pride in high participation rates and active volunteerism. We're tremendously grateful for the generous support we receive from parents, alumni, alumni parents, grandparents and faculty and staff.

As you will see illustrated in these pages, we had an incredibly successful year. Most notably, the *Charging Forward* campaign has crossed the \$26 million mark, and I have every confidence we will reach our \$27 million goal by December 31 of this year.

It is truly inspiring how the culture of philanthropy enriches the student experience and expands opportunities for our teachers at all grade levels. When you walk across the campus or engage with any member of our Charger family, you'll recognize your gift in action at PDS — classroom innovations, local and global connections, service to others, extraordinary learning environments, and distinguished faculty.

Together, we are creating a “community for life” that values the power and long-lasting impact of a Providence Day School education. Thank you for your unwavering support of our mission, our core values, and our vision for the future.

Sincerely,

Dr. Glyn Cowlishaw

1970 SOCIETY

Providence Day School was founded in 1970 by 12 families who came together to create a school that would provide an exceptional learning environment for the children of Charlotte. The 1970 Society was established in the spirit of our founders' commitment to PDS and recognizes those donors who give \$1,000 or more to the school in the current fiscal year.

* The Loyal Givers Club

The Loyal Givers Club was established to honor donors who support Providence Day School's mission through yearly gifts to the school. Their loyal participation serves as the foundation of support upon which PDS is able to grow. Membership begins once donors have made gifts to the school for seven consecutive fiscal years. Loyal givers are recognized in the *Report on Philanthropy* with an asterisk (*) next to their names.

In 2002, the Parents' Association made a \$100,000 commitment to endow this award to ensure that a \$5,000 award will be given annually to one teacher from each division in recognition of their exceptional service on behalf of Providence Day School. To honor this generous commitment, the award was named, The Parents' Association Endowed Teacher of the Year Award.

The Paula C. Freeman Financial Aid Endowment Fund

Market Value - \$511,383.57*

Established in 1998 in memory of Lower School parent Paula Camp Freeman with gifts from family and friends, the earnings from the principal will be used to provide a qualified Lower School student with financial aid each year.

Prior to her passing after an extended battle with cancer, Paula spent numerous hours as a volunteer in the Lower School and was beloved by many for her support and willingness to assist with the many activities of the Lower School.

Providence Day's commitment to an enrollment of varied backgrounds is often contingent upon our ability to provide financial aid. Thus, the family and the school determined this fund's purpose would be appropriate and consistent with Paula's involvement with PDS during her lifetime.

The Robert C. Hollmeyer Endowment Fund for Economics and Technology

Market Value - \$341,438.77*

Family and friends in memory of Robert C. Hollmeyer, a PDS alumni parent and former Trustee established The Robert C. Hollmeyer Endowment Fund for Economics and Technology in 2006. The earnings from the fund are used to enhance the economics curriculum and provide professional development opportunities for faculty to explore innovative and engaging ways to utilize technology within the classroom.

The Rob Eck Memorial Scholarship Fund

Market Value - \$222,762.27*

Established in 1978 by Clarence and Del Eck and friends in memory of their son and former PDS student, Rob Eck, the earnings from the principal amount provide scholarship awards to eligible, enrolled students of PDS who demonstrate a positive attitude, outstanding character and leadership potential as demonstrated by participation in extracurricular activities.

The Swayne Family Endowment

Market Value - \$116,058.53*

Established in 2016 by Bill and Linda Swayne, parents of Lisa Proud '91 and Heather Burns '93. The Swayne Family Endowment supports the Coach of the Year award which is presented annually. The award recognizes a coach for his or her outstanding leadership both on and off the field as well as for their positive influence on the lives of Providence Day School student-athletes.

The Whitten W. Scholtz, IV Memorial Awards

Market Value - \$132,368.93*

This fund was created in 1996 with gifts made to Providence Day School in memory of Whitten W. Scholtz, IV. Two annual awards are given from the earnings of the principal.

The first, a plaque and monetary award, is given to a graduating senior who demonstrates enthusiasm and talent in computer technology and mathematics, coupled with superior leadership skills, well-roundedness, and involvement in various PDS activities. This award, called the Whitten W. Scholtz, IV Technology Award, is given during Awards Day ceremonies each year. Twenty percent of the earnings from the principal fund this portion of the award.

The second award, not announced, is given annually to a qualified freshman, sophomore or junior who displays many of the same qualities as mentioned above, but also demonstrates financial need. Eighty percent of the annual earnings from the principal fund this financial aid award each year.

**Market values are as of June 30, 2018.*

As is the case with most independent schools, tuition does not fully cover the cost of providing the kind of educational experience students receive at Providence Day School. The Annual Fund provides critical funding that supports every aspect of life at PDS, from students and faculty to programming and facilities. The campaign runs from July 1 through June 30 each year.

"In addition to supporting PDS philanthropically, a record number of alumni are attending events both locally and nationally. We are also pleased that our new alumni tool, PD Connect, is making it easier for our alumni to stay engaged with each other and their alma mater. Once a Charger, always a Charger!"
