

WELCOME TO CHARGER ATHLETICS

Revision 1/10/19

Subject to change. Please check the website often!

ALL PARENTS and STUDENT-ATHLETES - PLEASE NOTE:

The following pages contain important tryout and practice information for the upcoming 2019 spring season. Head coaches will offer sign-ups for all teams during January. If your child has expressed interest in trying out for a team, please review the following information carefully so you can plan accordingly. Please feel free to contact the sport Head Coach directly or our office with any questions.

Once on a team, coaches will invite parents to a team meeting to cover their season objectives, expectations, rules, and schedules. **We expect at least one parent to attend the meeting as it pertains to their student-athlete and the upcoming season.**

- ↳ Our state association and school require a current Physical/Parent Permission Form **before** a student-athlete can participate in a tryout or practice. A physical is current for one year from the date of your last doctor visit. **All forms are submitted yearly via Magnus on-line. Students cannot participate without it – NO EXCEPTIONS.** Contact john.erb@providenceday.org to check your status.
- ↳ Bring comfortable shorts, sneakers and tee shirt for the first day of tryouts/practice along with any other equipment necessary for your specific sport.
- ↳ Tryouts typically run 2-4 days. Student-athletes are expected to be in attendance every day and able to participate in daily practices thereafter. If you are unable to attend a specific tryout start date, it is your responsibility to communicate with the coach now.
- ↳ Tryouts can be a difficult time, especially for rising 7th graders. Although our coaches will be encouraging and positive, it is suggested that parents be available to support your child on their last day of tryouts.
- ↳ All teams practice daily after school with varsity teams starting as late as 5pm or 5:30pm depending on availability of facility. Cancellations due to weather, etc. will be announced on our SportsLine (704 887 6003), Tweeted on our Twitter page (ChargersPDS), and placed on our website (www.providenceday.org/page.cfm?p=505)
- ↳ Please become familiar with the **Athletics section of the PDS website and our Twitter page**. This is our way of communicating with you about updates, news, schedules, etc. throughout the season! **You can sign up to automatically receive email alert notifications and add entire team schedules to your own Google calendar!**
- ↳ Once teams are established, coaches will communicate specific practice schedules for the season.

**Our Athletic Department is located just inside the Mosack Athletic Center.
Please feel free to stop by at any time!**
