

## ***Chargers of the Week***

### **Morgan Allison – Swimming**

Junior Morgan Allison had a standout meet at the CISAA Conference Championships achieving lifetime best times in both the 100 freestyle (10 second drop) and 100 backstroke (6 second drop) to score for Providence Day in both events. Morgan took 4th overall after being seeded 22nd in the 100 freestyle and 9th in the 100 backstroke. She ended up the top Charger finisher in both events. Both swims are state qualifying times.

### **Drew Patterson – Basketball**

In two key CISAA conference games this past week, Junior Drew Patterson held Country Day star Alex Tabor to just 11 points on Tuesday and Cannon School's leading scorer, 6'6" DJ Nix, to only 9 points. Both of these players' numbers are far below their season averages. If it wasn't for Drew's incredible defensive effort on these two very talented players, the Chargers would not have won either of those games.
