

Chargers of the Week

Hurdle Relay Team – Track and Field

Our girls 60-meter shuttle hurdle relay team of freshman Ijeoma Eziri, freshman Falon Spearman, sophomore Eliza Cardwell, and freshman Santana Spearman participated in the prestigious New Balance Indoor National Championships in New York City over the weekend. The young hurdle team finished in fourth place in a very competitive meet.

Kenneth Cochell – Track and Field

Kenneth Cochell set a new lifetime best at the CISAA Relays last week in the pole vault event. In just his first competition of the year, Kenneth easily outdistanced himself from the rest of the CISAA Conference clearing 12 feet and 7 inches in the pole vault. Currently, Kenneth sits atop all the schools in the NCISAA rankings in the pole vault.
