## 2014-2015 BOARD OF TRUSTEES

---

Members of the Board of Trustees serve as stewards of the school who hold “in trust” its mission and reputation. As such, Trustees accept the obligation to not only preserve but also to advance the institution. Their work begins with the fiduciary expectations of duty (due diligence on financials), care (executing decisions by prudent standards) and obedience (to laws and bylaws). Beyond these duties, Trustees focus on policies and strategies that are future-focused, leaving daily operations to the Head of School, whom they select. The Board utilizes several committees to study and assess in-depth the needs, activities and performance of the school and to make recommendations when planning, developing and establishing policy.

## FROM THE HEAD OF SCHOOL

### *Dear Parents, Alumni and Friends of PDS:*

I'm pleased to share with you the *Report on Philanthropy* for the 2014-2015 school year, which clearly shows the deep support and loyalty of the Providence Day School community.

The culture of philanthropy that lives here is a rich tradition of giving that has sustained and supported us for 45 years. I'm proud to say this school was built by the hands of our parents, faculty and staff. That legacy still exists today.

With a strong spirit of giving, our Providence Day community is signaling its belief in the mission and core values that guide us. A passion for learning, social responsibility and personal integrity are honored and upheld by philanthropy. We take great pride in record-high participation rates and active volunteerism. We're tremendously grateful for the generous support we receive from parents, alumni, alumni parents, grandparents and faculty and staff. As you will see illustrated in these pages, we had an incredibly successful year:

- Alumni giving participation increasing from 2.9 to 20.8 percent in just 15 months
- A record-breaking Annual Fund at \$1.3 million, including 100 percent support from faculty
- Parent participation in giving up from 74 to 79 percent
- CASE honoring PDS with Educational Fundraising Award

Indeed, it is truly inspiring how the culture of philanthropy enriches the student experience and expands opportunities for our teachers at all grade levels. When you walk across the campus or engage with any member of our Charger family, you'll recognize your gift in action at PDS — classroom innovations, local and global connections, service to others, extraordinary learning environments and distinguished faculty.

Together, we are creating a “community for life” that values the power and long-lasting impact of a Providence Day School education. Thank you for your unwavering support of our mission, our values and our vision for the future.

Sincerely,

A handwritten signature in dark ink that reads "Glyn Cowlshaw". The signature is written in a cursive, slightly slanted style.

Dr. Glyn Cowlshaw

# Providence Day School Recognized for Growing Culture of Philanthropy

Providence Day School has been acknowledged recently for its strong and growing culture of philanthropy.

The Council for Advancement and Support of Education (CASE) honored PDS with an Educational Fundraising Award.

CASE is one of the world's largest nonprofit educational associations, serving both educational institutions and the advancement professionals who work on their behalf in alumni relations, communications, development, marketing and allied areas.

The award is given to "superior fundraising programs at educational institutions across the country." PDS was recognized with the Overall Improvement

category based on a blind analysis of three years' worth of fundraising data by a panel of judges from peer institutions across the country. In bestowing this honor, CASE has deemed PDS "one of an exceptional group of colleges, universities, and independent schools."

Additionally, the Edward E. Ford Foundation awarded PDS a \$50,000 matching grant to establish a pilot Freedom School teaching intern position for a candidate who has been positively affected by the Freedom School program.

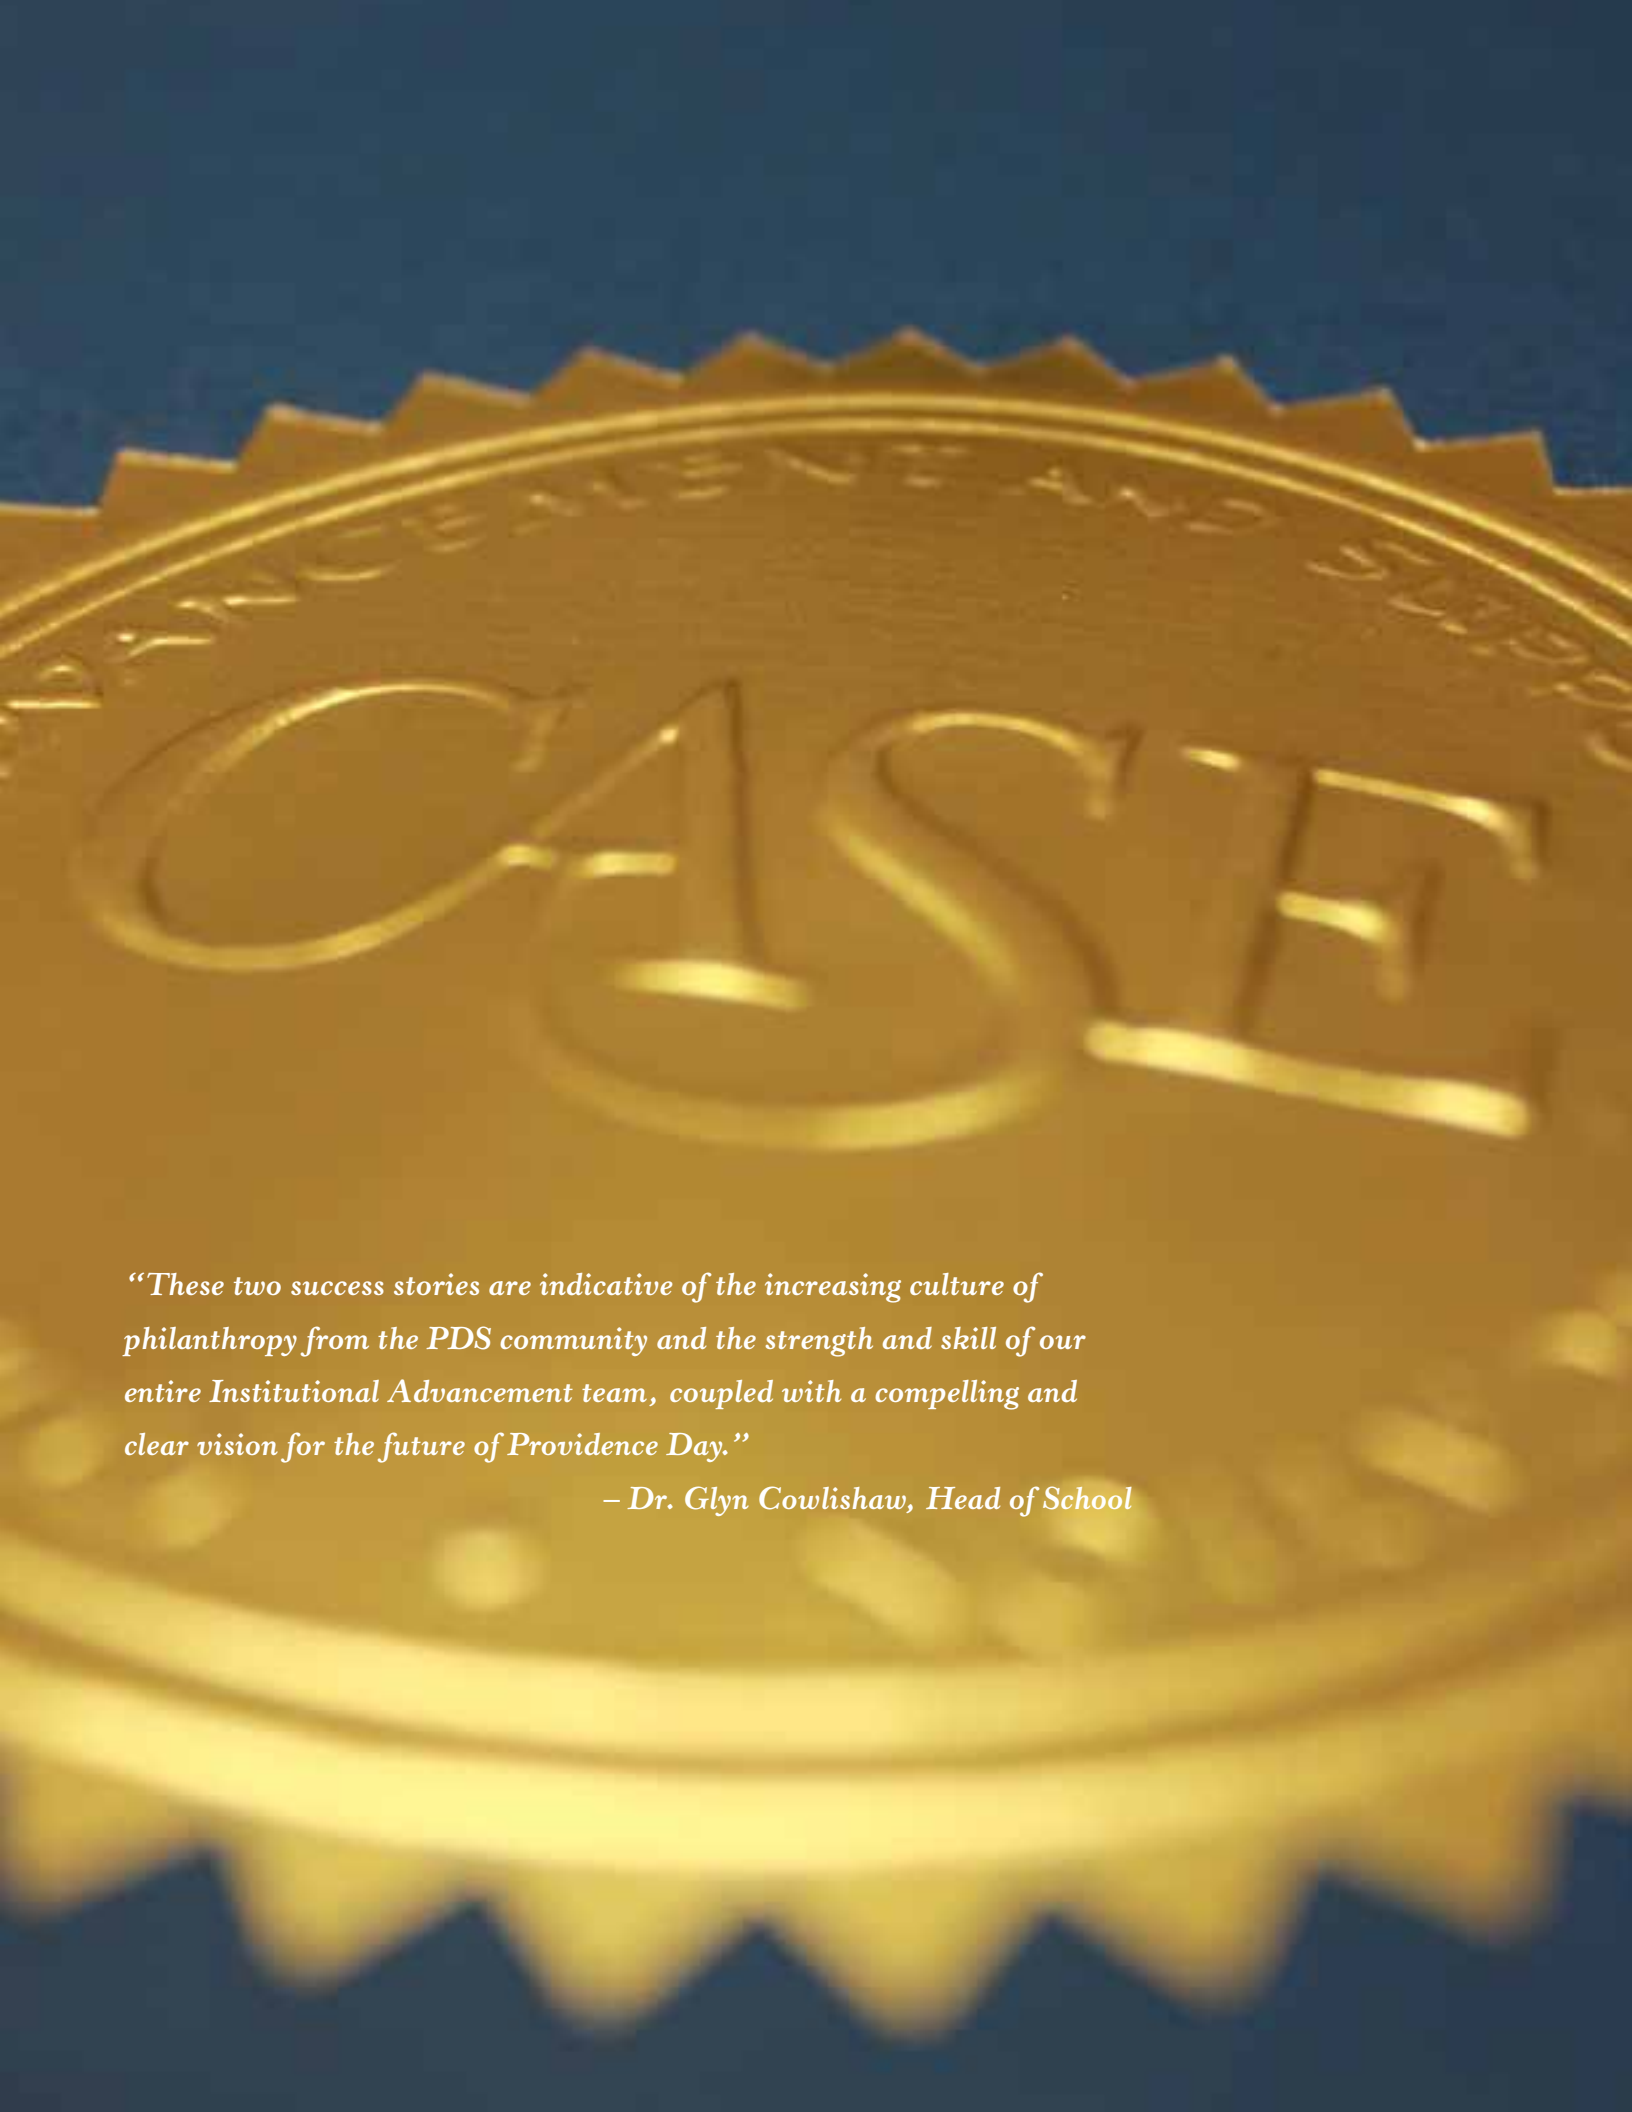

E.E. Ford is synonymous with independent school philanthropy, providing grants for schools holding memberships in the National Association of Independent Schools.

The matching grant serves as further validation of PDS's national leadership in serving as a partner and collaborator with Freedom School, a six-week summer program of the Children's Defense Fund, a childhood advocacy group that provides enrichment to help children appreciate reading, increase their self esteem, generate positive attitudes toward learning and prevent summer learning loss.

"These two success stories are indicative of the increasing culture of philanthropy from the PDS community and the strength and skill of our entire Institutional Advancement team, coupled with a compelling and clear vision for the future of Providence Day," said Dr. Glyn Cowlshaw, Head of School.

## 1970 SOCIETY

## 2014-2015 DONOR HONOR ROLL

Providence Day School was founded in 1970 by 12 families who came together to create a school that would provide an exceptional learning environment for the children of Charlotte. The 1970 Society was established in the spirit of our founders' commitment to PDS and recognizes those donors who give \$1,000 or more to the school in the current fiscal year.

### \* The Loyal Givers Club

The Loyal Givers Club was established to honor donors who support Providence Day School's mission through yearly gifts to the school. Their loyal participation serves as the foundation of support upon which PDS is able to grow. Membership begins once donors have made gifts to the school for seven consecutive fiscal years. Loyal Givers are recognized in the Report on Philanthropy with an asterisk (\*) next to their names.

## PDS Surpasses 2014-15 Annual Fund Goal

Thanks to the generosity of the Providence Day School community, the Annual Fund achieved another record breaking total of \$1,310,778.

The Annual Fund provides critical support to the school's yearly operating budget and has a significant qualitative impact on students, faculty, programming and facilities at PDS.

"The success of the Annual Fund is a testament to the commitment and generosity of the entire PDS community," said Meggan Barber, Annual Fund director. "The Annual Fund truly is a community effort."

"PDS also owes a great deal of gratitude to the Annual Fund volunteer team for their time and support of this effort," said Barber. "Special thanks to our Annual Fund Chair James Nichols who led the charge on this record breaking year."

Providence Day School is grateful for a partnership with donors which helps the school fulfill its mission of inspiring a passion for learning in our students. The school believes that passion for learning can inspire students to impact the world for good.

# ANNUAL FUND

As is the case in most independent schools, tuition does not fully cover the cost of providing the kind of educational experience students receive at Providence Day School. The Annual Fund provides critical funding that supports every aspect of life at PDS, from students and faculty to programming and facilities. The campaign runs from July 1 through June 30 each year.

# THANK YOU, PDS ALUMNI!

Because of the generosity of our alumni, Providence Day School reached 20.8% alumni giving participation — a school record!

Surpassing the 20% alumni giving participation goal means PDS receives an additional \$25,000 as part of the Alumni Challenge Match.

Your support of PDS means so much not only to your former teachers but also to those Chargers who will one day join your ranks as alumni.

Providence Day is fortunate to have a supportive and loyal alumni community, and we thank you!
